Dear Sir:

One month has passed since our special DX Broadcast from C.J.R.W., and it's time to get out the verification reports.

We expected to hear from a few more DX'ers than we did, but I guess our signal was the victim of W.I.N.N. and another station that was doing some testing between 4:00 and 5:00 a.m. on the morning of December 31st, 1956.

I might add that "April Showers", played at approximately 4:15 a.m., was mentioned in nearly every report we received.

We at C.J.R.W., on behalf of the National Radio Club, are pleased to verify your pickup of our broadcast on that date.

Thanking you for your co-operation, I remain,

Yours sincerely,

Lowell Huestis
